See you in Kuching, Sarawak!

As we continue focusing on the post Covid-19 Development Strategy, AVA Congress 2023 will enlighten us with the latest insights and strategies on how to scale the profession to a new height and achieve our aspirations. This year's congress will also look into the future prospect of Business Valuation in the ASEAN region.

AVA Congress 2023 will be held in Kuching, Sarawak, the city which is well known for its unique cultural identity to Malaysia and Borneo. Kuching residents furthermore are keeping the cultural and heritage stories alive through food — which is why Kuching is the first city in Malaysia to receive Unesco's City of Gastronomy accolade under the Unesco Creative Cities Network.

ASEAN Valuers Association (AVA) was established in June 1981 and currently has eight member countries comprising of Brunei, Cambodia, Indonesia, Malaysia, Philippines, Singapore, Thailand and Vietnam. It is a platform to promote cooperation, create mutual understanding, establishing closer relationship, sharing of information, knowledge and experience in the relevant fields of valuation among valuers and allied professionals of ASEAN country members
